## **OPAF Welcomes ABC as a New Silver Level Sponsor**

January 13, 2012 – Waterloo, Iowa – OPAF & The First Clinics welcomes ABC (American Board for Certification in Prosthetics, Orthotics & Pedorthics) as a new Silver Level Sponsor for 2012. This is a 100% increase in their donation level from 2011. ABC is one of the three founding partners for OPAF, along with AOPA and AAOP when all three organizations were under the O & P national office umbrella.

“The American Board for Certification in Orthotics, Prosthetics and Pedorthics, Inc., (ABC) is pleased to provide support to OPAF as we share the same goals of enhancing the quality of life for individuals with disabilities and to help raise public awareness of the orthotic and prosthetic profession.”

*-Catherine Carter, ABC Executive Director-*

“OPAF & The First Clinics appreciates the continued and ongoing support of ABC in reaching those served by the O & P community with quality adaptive recreation opportunities. First Clinics are making a difference in the lives of anyone with a physical challenge,” said Robin Burton, OPAF Executive Director.
