OPAF Welcomes New Sponsors

Waterloo, Iowa – OPAF welcomes O & P Enterprises of Gurnee, Illinois for their 2010 sponsorship of the ongoing work of The First Clinics. This is the sixth year in a row that O & P Enterprises has offered their Patron Level of Sponsorship for OPAF. Since 1974 O & P Enterprises has been supplying the O & P industry with high quality fabrication supplies along with providing superior technical assistance and support. “We believe in the work that OPAF is doing with the First Clinics and support their efforts once again. The First Clinics provide quality adaptive recreational instruction for those served by members of the O & P community,” said Don Biondi, O & P Enterprises President.

OPAF also welcomes a new sponsor in 2010 with BOC International. Based in Owning Mills, Maryland, BOC offers certification, facility accreditation, professional conduct ethics and continuing education for those within the orthotic, prosthetic and pedorthic fields. “Contributing toward an enhanced quality of life is a major reason practitioners enter the O&P field. On behalf of our certificants, BOC is honored to support OPAF's work. Greater social interaction, health and fitness are universal goals, and OPAF is a leader in helping people achieve them” said Claudia Zacharias, BOC President and CEO

Chris Wilhelm, CO, a staff orthotist with the Children’s Healthcare of Atlanta also became an OPAF sponsor in 2010. Chris has volunteered for several OPAF First Clinics in the Atlanta area, including First Volley Adaptive Tennis and First Swing/Learn to Golf Clinics. OPAF welcomes all our sponsors, both corporate and individuals as part of the team helping all physically challenged patients return to an active lifestyle.

For more information on sponsorships or to donate to OPAF, please visit our website at www.opfund.org or call the OPAF office at 319-235-4318.
